

2020 Print Content Calendar

Issue Date	Trends: <i>The cutting edge ideas in design</i>	Applications: <i>Putting ideas to work</i>	Developments: <i>New products and design trends</i>	Back to Basics: <i>The fundamentals of design</i>	Show Coverage	Ad Close	Materials Due
JAN Technology Forecast	3D printing gets down to business	IIoT in brownfield applications	New year, new products: Ten essential innovations	The care and feeding of bearings	MD&M West	12/22/2019	1/2/2020
FEB	IFPE/ConExpo Preview: Powering up	Transportation: Autonomous vehicles move along	Transportation design and simulation tools	Motors and drives	IFPE	1/16/2020	1/23/2020
MAR	Hannover Messe preview: The world of design	Sensors: Finding the right data right away	Medical product trends	Compressed air fundamentals	Hannover Messe	2/12/2020	2/19/2020
APR	The digital twin links design, operations	Augmented reality saves time, money	Fluid power efficiencies	Pneumatics efficiency	M&T Show	3/18/2020	3/25/2020
MAY Special Edition: Motion Control	Aviation's new design and simulation challenges	Robotics, people are moving together	Motion control and safety	The ROI of IIoT		4/9/2020	4/16/2020
JUN	Use mechatronics, IIoT to advance design	Automation system integration strategies	Mechanical systems	Effective motion control		5/6/2020	5/13/2020
JULY	Motion control for medical robotics	3D printing as a design tool	Augmented reality and virtual reality	Hydraulics		6/4/2020	6/11/2020
AUG	IMTS Preview: Connect machines and IIoT	Electrical systems: safety first	Software and technology	Deploying robots	IMTS	7/8/2020	7/15/2020
SEPT	Pack Expo Preview: Indoor autonomous vehicles	Designing system security and safety	Aerospace and transportation	Harnessing fluid power	Pack Expo	8/6/2020	8/13/2020
OCT	Merging 3D, CAD and operations	Salary and Career Report: Know your Millennial	Digital design and product development	Data presentation		9/9/2020	9/16/2020
NOV Special Edition: Motion Control	Generative design integration	The autonomous vehicle from 5G to IIoT	Hydraulics and pneumatics	Sensors and data management		10/8/2020	10/15/2020
DEC	Emerging Technologies: A 20-20 vision for 2021	Medical design challenges and opportunities	3D design and printing	Project management: Get out of your silo!		11/2/2020	11/9/2020
	Leaders Issue				Major trade shows throughout 2021	12/9/2020	12/16/2020
