

Machine Design — Audience Engagement Report

JANUARY-JUNE 2023

Machine Design drives mechanical design innovation by providing how-to content and insights on emerging applications to design engineers and managers in OEM, processing and R&D. Engaging this complex design community with solution based content and technical expertise we deliver a qualified audience for your content marketing and media strategies by leveraging our high-quality content and user behavioral insights to target and lead engineers smoothly from discovery, to consideration, to purchase.
